

PanelMax[®]

NEW!

Introducing PanelMax[®], our newest opener designed specifically for new housing.

With all of the essential features and quality accessories you come to expect from B&D, PanelMax[®] offers exceptional value.

Replacing PanelPro, PanelMax is part of B&D's Next Generation range of openers, combining the quality of B&D you know and love, at an affordable price that meet the needs of new housing projects. Plus when it is installed with a B&D Garage Door, it is backed up by our 10-year Total Confidence Warranty*, giving you complete peace of mind.*

Check out B&D[®] customisable upgrades (see back page)

SPECIFICATION	SPECIFICATION EXPLAINED	PANELMAX®
Peak Pulling Force	The motor's peak pulling force should suit the door type to provide optimal performance with minimal noise.	700N
Maximum Door Weight	Your door size and type can greatly effect its weight and the appropriate B&D opener to couple with your door.	140kg
Maximum Recommended Door Size	Each opener is specifically designed to efficiently operate doors up to a specific size.	15m ²
Typical Travel Speed	The speed at which the door travels when being opened or closed.	115 - 150 - 180mm / second
Rail & Drive Type	For sectional door openers (only).	Steel or Aluminium Rail / Chain or Belt Drive
Courtesy Light	The courtesy light illuminates when the door is opened improving visibility and safety.	45W LED equivalent
Remote Controls	Our Tri-Tran+™ remote controls provide superior security and excellent operating range whilst virtually eliminating interference from other wireless devices.	2 x Tri-Tran+ Remote Controls & 1 x Premium Wall Button
Warranty	Our manufacturer's warranty is backed by a nationwide team of garage door and opener service professionals. Pair with a B&D Door and Warranty is extended to 10 Year Total Confidence Warranty.	5 years / 10,000 cycles Upgrade: 10 year Total Confidence Warranty*
Auto Reverse	The door automatically reverses if it comes into contact with an obstruction whilst in motion.	✓
Soft Start & Soft Stop	Increases and decreases the speed of operation to reduce stress on the door and reduce noise.	✓
Low Standby Power	When the opener is not in use, you can rest assured that your opener is not excessively draining power.	✓
Service Indicator	The clever logics inside our PanelMax opener alert you when a service is due to maximise the life of your opener.	✓
OPTIONAL UPGRADES		
Smart Phone Control	Opener is compatible with the B&D Smart Phone Control Kit - sold separately	✓
Auto-Lock Protection	Our smart keyless technology will automatically lock your door everytime you close it - optional	✓
Safety Beams	No contact safety beams mean the door will automatically reverse if something obstructs the door. Great for homes with children or pets.	✓
Battery Backup	Operate your garage door during a power outage.	✗

* If you register your eligible purchase of a B&D Door and PanelMax opener online, you are covered by our B&D 10 Year Total Confidence Warranty on both the door and automatic opener. Our openers come with a 5 year / 10,000 cycles standard warranty and accessories are warranted for 12 months - visit www.bnd.com.au for full details. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. +Smart functionality is subject to cellular and WiFi connection and availability. Phone not included. ^Optional accessory that can be purchased with a door. No part of this brochure may be reproduced without prior permission. In an ongoing commitment to product quality we reserve the right to change specification without notice. B&D Doors & Openers is a division of B&D Australia Pty Ltd, ABN 25 010 473 971 © 2020.
