

# G+ Stand Alone Receiver

## Handset Pairing

The following instructions demonstrate how to pair your G+ Stand Alone Receiver to your Gliderol handset. Please note, your unit will need to be installed by a qualified electrician or garage door technician prior to pairing - refer to second page for wiring detail.

### Step 1:

Press the red pairing button located on the side of the unit once to enable pairing, then press the desired button or your remote to operate your door/gate.

**Your remote is now  
programmed & ready to use!**

Should you require further assistance, please contact your local Gliderol office on 1300 799 177.
